

Do it Again

Jason Wallis and Duane Mixon

**Our prayer is for history to repeat
That the things You have done
In the name of Your Son
Will be done again**

**Have mercy on us oh Lord we pray
Please send Your power in this dark hour
Oh be our hero and friend**

**Do it again oh Lord, do it again
Bring your help back to our land
Do it again oh Lord, do it again
Shelter us oh with Your hand**

**We call to You in our hurting
Answer us with your mercy
Do what You've done before
Oh Lord, do it again**
