

I Cry Out to You

Jason Wallis, Taylor Fletcher and Kendall Combes

**Take me, break me, mold me then shape me
Into what You've planned
Lord I long to follow and want You
More than I seek Your hand**

**I cry out to You, Jesus maker of all things
I cry out to You, take this life I bring
I cry out to You, do what You need to do
I cry out to You, make me ready to be used**

**You give me joy in the morning
New mercies everyday
When You break me
You don't leave me that way**
