**E5      E5/C#      E5/A      E5/C#**  
As deep calls to deep

**E5      E5/C#      E5/A      E5/C#**  
In the roaring of Your waterfall

**E5      E5/C#      E5/A      E5/C#**  
You come sweeping over me

**E5      E5/C#      E5/A      E5/C#**  
And the feeling is so wonderful

(repeat)

**B/D#      C#m**  
When You hold me in Your arms

**A2      E**  
Wash me in Your word

**B/D#      E5    E/G#    A2**  
Streams of living water cover me

**B/D#      C#m**  
From the fountain of Your love

**Am/C      E/B**  
Let Your healing river flow

**A2/F#      E/G#      A2**  
Let the love of Jesus flood my soul

**“Deep”** (cont.)

**E5      E5/C#      E5/A      E5/C#**

As deep calls to deep

**E5      E5/C#      E5/A      E5/C#**

In the stillness and the solitude

**E5      E5/C#      E5/A      E5/C#**

You come quietly to me

**E5      E5/C#      E5/A      E5/C#**

And I’m falling so in love with You

(repeat)

**B/D#                      C#m**

Through the wilderness You come

**A2                      E**

Calling out my name

**B/D#                      E5              E/G#      A2**

Saying “let Me hear your voice and see your face”

**B/D#                      C#m**

So I turn to You and run

**Am/C                      E/B**

To my Lover’s strong embrace

**A2/F#                      E/G#                      A2**

How I long to stay here in this place
