

I Feel Life

*Words and Music by
Rob McKinnon*

Chorus:

I feel life. I feel life.
I feel life flowing in me.
(repeat)

Verse 1:

Well I once was lost, but now I've been found.
I was blind, but now I see.
With the Spirit's touch from heaven,
the chains of sin were broken.
And amazing grace set me free.

Verse 2:

When I allow my flesh
to overcome my Spirit,
then death rules over life.
But the Spirit brings remembrance
of all that has been spoken,
and I prophesy word of life!

Ending:

I have life. I have life.
I have life flowing in me.
