

He Watches over Me

Jason Wallis and Taylor Fletcher

Psalm 121

**I feel like I'm going to fall,
Oh where will my help come from
I lift my eyes up to the sky and I see
I see my help come**

**I feel the sun burning down,
Oh where will my shade come from
I lift my eyes up to the sky and I see
I see my shade come**

**From the maker of heaven and earth He never sleeps
'Cause He's watching over me
He won't let me slip or let me fall
He is my guide to walk me through it all
In my confusion he brings peace
He is my strength, He watches over me**
