

# See the star

Matt Osgood, Matt Weeks & Dan Weeks

**Bb**                      **Gm**  
See the star pierce the darkness,  
**F**                              **Eb**  
shining hope to all the earth.  
**Bb**                              **Gm**  
See the sky blaze with glory,  
**F**                                      **Eb**  
angels praise the saviour's birth,

See the joy, shepherds worship,  
amazed at all that they have seen.  
See the hope, wise men journey,  
bringing treasures to the King.

**Eb**                              **F**  
See the dawning of the Son,  
**Bb/D**                              **Gm**  
darkness flees for love has come.  
**Eb**                                      **F**  
The power of death will be undone:  
**Eb**  
Christ is born!

See the trust, humble Mary  
gazes at her Saviour's face.  
See the love freely given,  
Christ reveals the Father's grace.

See the dawning...

**Eb**                              **F**  
God with us in flesh and blood,  
**Bb/D**                              **Gm**  
giving up his throne above,  
**Eb**                                      **F**  
here to save us by his love:  
**Eb**  
Christ is born!

**Bb**  
*Glory in the highest heaven,*  
**Eb**  
*all the earth resound;*  
**Gm**  
*Glory in the highest heaven,*  
**Eb**  
*God is with us now!*
